

The Presidential Dispatch

We are approaching the end of our season with "Ladies of Harmony". Be sure to see this as our cast of 6 men portray the church ladies on the funeral committee. Yes, that is men acting as ladies! If nothing else it is worth some laughs to see these guys dressed up as the ladies.

Please also notice our Children's Theatre of "Annie, Jr." for July. We always get a great turnout of children for this and many go on to become OCT members later and some go on to careers in the arts. We are always proud of their production.

We have had a successful season with your support and look forward to another starting in the Fall. We will again be having our Wine Tasting Fund Raiser on September 10 at the Navy Bistro so save that date for us also. Watch for details later on that.

Thanks for coming to our events this year as we value your participation in whatever way best fits with your schedule.

See you at "Ladies of Harmony"

Announcing our Scholarship Winners!

We are proud to announce that two students have been awarded \$500 each for our scholarships this year.

Bridget Harrington, a Clay High Student, will be attending the University of Toledo with a minor in theatre as her major will be mechanical engineering. Sounds like a tough combination but we know Bridget is up to the challenge. Bridget has been in numerous shows as a child with OCT and helped in many productions as well. She has also been very involved with the Limelighters at Clay and you have no doubt seen her on stage there as well. She is the daughter of Kevin and Renee who are both very active with OCT.

Robert Lyn is our other awardee who attends Cardinal Stritch High School. He will be attending Ohio Northern University with a major in theatre. Robert has been involved with children's theatre as well as other productions with OCT including most recently the role of Smee in "Peter Pan". Robert has also been involved with productions at Stritch as well as other area schools.

We congratulate both winners with our wishes of nothing but success with their futures. Come see them receive their awards at our production of "Ladies of Harmony".
