

Oregon Community Theatre Presents

We are very happy to announce a very special fund raiser event! On October 30th, 1938, the United States experienced mass hysteria in response to a radio broadcast put on by Orson Welles and his Mercury Theater on the Air. Our Reader's Theatre will recreate the event as if you are a guest in the original broadcast studio. The production will be held October 30th with a live stage production of this famous 1938 radio broadcast of "War of the Worlds". The event will offer heavy hors d'oeuvres and will benefit the efforts of Oregon community Theatre within the community. Please join us for this very special performance and help us to bring more quality theatre to the community.
