

### Noises Off Side #3: Lloyd and Tim

***(Lloyd has frustratingly called to Tim, the company's harried stage manager, to fix the difficult doors. Tim enters holding bananas. He is exhausted.)***

Lloyd: And where the hell was Tim? And God said, Let there be doors, that open when they open, and close when they close.

Tim: Do something?

Lloyd: Doors.

Tim: I was getting bananas. For the sardines.

L: Doors.

T: Doors?

L: I bet God had a stage manager that understood English, too.

T: Oh, all right. ***(sets to work on the doors)***

L: Don't worry, Tim. Only another 24 hours, and it'll be the end of the day. (considers Tim as he works) Tim, you look strained and anxious. You're not trying to do too much, are you?
